RE: American Humane Certified™

Dear Ms. Brodhagen:

This letter will confirm that Abbotsford Farms is fully approved by American Humane to distribute and market cage-free liquid or whole eggs from producers that are qualified and certified to use the American Humane Certified™ label. Abbotsford Farms has been granted License to use the American Humane Certified™ mark on products received directly from American Humane Certified™ producers for Abbotsford Farms' Eggs and Eggs Products, Michael Foods' Animal Products, Licensed Goods, and/or Licensed Services. The Licensed Services are defined as: Use of American Humane Certified™ logo in connection with transportation, labeling, and marketing related services of Licensed Animal Products and Licensed Goods.

Egg Company Certificate of Approval

The American Humane Certified™ Program certifies that Abbotsford Egg Products, c/o Michael Foods, Inc., a Delaware corporation with its corporate headquarters located at 301 Carlson Parkway, Suite 400, Minnetonka, MN 55305 is in compliance with the terms of the Egg Company License Agreement. Duly certified, Michael Foods at the Abbotsford location is licensed for a period of one year from the date of this Certificate, and is authorized to use the Mark (an exact copy of which appears above) on Licensed Animal Products, Licensed Goods, and/or Licensed Services subject to and in accordance with the American Humane Certified™ Program Regulations and the Egg Company License Agreement.

Sincerely,

Marie Belew Wheatley
President and CEO
